Aged Care Community Visitor

City of Norwood Payneham & St Peters Volunteer Program

The following opportunities are available for Volunteers in the Council's Volunteer Program, including but not limited to:

Aged Care Community Visitor

The Council's Community Visitors Scheme provides companionship to socially isolated people living in aged care facilities. Volunteers add quality to the lives of these residents by acting as a companion and friend and engaging in activities such as chatting, reminiscing, playing games or going out for walks.

Stepping Out

Stepping Out Volunteers share an interest, hobby or talent with a socially or culturally isolated resident living in their own home, within the Council area. Volunteers set aside time once a fortnight to visit their resident and provide them with friendship and companionship.

Pet Care Program

The aim of the Pet Care Program is to provide a service to pet owners in our community who may be unable to regularly walk or groom their pet due to immobility, ill health, age or other determining factors.

Library Services

Library Services

Library Volunteers provide valuable assistance to Library staff in delivering services to Library users, such as assisting with the delivery of books to residents at their homes, updating the Library's community noticeboards, preparing materials for children's programs, processing new books and repairing damaged items.

Justice of the Peace

The Council provides a Justice of the Peace (JP) Service for the community, which is located at the Council Offices at the Norwood Town Hall (Monday–Friday) and the St Peters Library Complex (Saturday only). Justice of the Peace Volunteers provide a valuable service to the community, by acting as independent and objective witnesses to witness documents, certify a person's identity and take Statutory Declarations.

Community Bus

Volunteer Bus Drivers and Bus Helpers assist the Council's Community Bus Service, which provides transportation for shopping, excursions and social support programs, to frail aged, disabled or socially isolated members of the community.

Food Secrets & EWAT Bus Tours

Volunteers will guide groups through the charming suburbs of Kent Town, Stepney, and Glynde, uncovering the hidden flavours and captivating stories of their unique food and beverage businesses. The program offers a delightful day out once a month, visiting over 15 one-of-a-kind businesses throughout the year.

Special Events

Council Event Volunteers assist in the planning and co-ordination of events which are hosted by the City of Norwood Payneham & St Peters. Council Event Volunteers support and nurture community spirit by being a part of the event organising group, providing administrative support and assisting with various tasks on the day of the event.

Friends of the Billabong

Friends of the Billabong Volunteers assist with the restoration of sections of the River Torrens and creeks to original native vegetation, by attending bi-monthly working bees, revegetating native species and assisting with the removal of noxious weeds.

Borthwick Park Biodiversity Program

Borthwick Park Biodiversity Program Volunteers help to restore and maintain the park's native habitat, all while boosting its biodiversity. This program is perfect for busy individuals who are seeking a volunteer role with flexible hours and a short time commitment.
